Ministry Update: Starfish Dwelling

ECMN Convention Alternate Delegates Needed

The Vestry is seeking 2 volunteer candidates to serve in the position as alternate delegates to the annual ECMN convention (online) the evening of Friday September 25 and morning of Saturday the 26th.

Alexis Roy and David Kroeger are the elected delegates, and they do plan to attend the online meetings.

We do need to notify ECMN of the persons who hold the positions of alternates, in case either of the delegates are unable to attend.

The names of the volunteer candidates will be presented to the Vestry and voted on at the July 16 meeting.

Anyone who is an "active baptized member" is eligible to serve. Please contact the [office](#) if you are interested in this opportunity.

Seeing and Believing - COVID19 Version

Movies are a source of theology. For a couple of years the monthly film series at Saint John's, "Seeing and Believing," made the connection. COVID-19 brought it to an abrupt halt. Or rather, interruption.

Here's the new plan -

Watch *13th*, the stunning 2016 documentary now available on Netflix, and then join with others in a Zoom gathering to talk about it. The date and time will appear in next week's eNews. The film *13th* traces the story of racism in America from the Thirteenth Amendment (1865) - "Neither slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, shall exist within the United States, or any place subject to their jurisdiction" – especially the phrase between the commas – to the current unconscionable mass incarceration.

What does this story mean to us personally and as a community in this time of reckoning?

If you would like to be part of the conversation, email Adult Formation chair [Patrick Henry](#), who will send the Zoom URL as soon as the date and time are firm, and some initial questions to think about.
